

In September 2022, [Move More](#) launched a wraparound care club here at school, providing childcare from 8am each morning and until 5.15pm every evening. This club filled a gap in our offer and has quickly become an important service for many of our families. We are excited to announce that from Term 5 (17<sup>th</sup> April) the school will be in a position to take over the running of this facility in-house. We are incredibly grateful to [Move More](#) for their support and expertise in establishing the club and enabling us to improve our offer beyond the school day.

Our club will be called **Fun Factory** - huge thanks to Lily in Y6!

Along with this letter, you will find a new Terms & Conditions document which sets out how the club will function, which is very similar to how things are set up currently. For those of you using the facility already, some key things to note:

- Mornings will now open at 7.45am instead of 8am.
- The late session is now open until 5.30pm instead of 5.15pm.
- Bookings will be via School Spider rather than Eequ.
- Childcare vouchers will still be accepted. (*The procedure for using them is explained in the attached document*).
- Staffing remains the same: Mrs Bond, Mrs Viall & Mrs Dyde.
- Location remains the same – Amethyst Classroom with access via the playgroup gate.
- There have been some minor adjustments to pricing to ensure the club's continued viability.
- Each term has an 'early bird' booking date. Bookings made before this date for the term ahead are charged at a cheaper rate than 'on the day'.
- A late collection charge will apply.
- When dropping off and collecting children, parents need to come into the room to sign them in/out.
