£25.00+£25.00+£10.99+£3.00+£14.95+£4.21+£7.99= £91.14

£100.00-£91.14= £8.86 donated to Dogs Trust charity

SHOPPING TASK

Mum as just been shopping and spent £203.90. The most expensive item was £12.99 Apple vodka (Mum said this is an essential item during this tricky time!) and the cheapest was 22p bourbon biscuits. (also essential for Samuel to make brownies!)

£1 TASK

If I had only £1. I would spend it on a box of chocolates for the old people. 😊

SNACK TASK

My favourite snacks are chocolate brioche rolls. They cost 79p per pack. For a year's supply I would need:

£41.08p 52x0.79= £41.08.
