

Career Assignment: Paramedic

Task 1: What is a paramedic?

Design a fact file, leaflet or poster about the job of a paramedic.

This needs to be filled with fun facts, pictures and diagrams! Use the internet to help you.

Then take a picture and put it on Seesaw!

Task 2:

You are a paramedic, you have just arrived at the scene and your patient has a broken leg, a head injury and just suffered a heart attack. What injury would you attend to first?

Using persuasive language explain your reasons for why you have decided the order of injuries.
