

## *Career Assignment: Quantity Surveyor*

### *Task: Money Bags!*

*To be a quantity surveyor you have to be good at budgeting money! Can you find the answer to this money maze?*

Go through the maze, collecting and losing your money as you go. You may not go through any cell more than once, and can only go into a cell through a gap, for example, you may not go from 5 to 6, or from 7 to 3.

Which route gives you the highest return? How much is it?  
Which route gives you the lowest return? How much is it?
