

Dear Parents,

Christmas will soon be here and for some of you the joy of the festival can be spoilt by the worry of trying to find extra food and presents for your children. This year it is even more worrying, as more families will be struggling because of reduced incomes and benefit delays as a result of the Covid-19 and ongoing restrictions and on reduced incomes.

**Tewkesbury Foodbank would like to help you by providing *Christmas Blessings 2020*.**

In previous years this consisted of a Christmas Goodies parcel to be collected from our centre together with Greengrocers and Fresh meat vouchers.

Sadly, we cannot do the same this year.

So, because of the extreme generosity of the local residents and businesses in our Community, we are able to help you in a slightly different way.

With the support of local businesses, we will be issuing a variety of vouchers, redeemable in local stores. This should take away the worry of what will be a very different Christmas this year. We are confident that you will find these useful as this will allow you to choose what 'Goodies' you and your family would like to eat.

You will **not** need a Foodbank voucher to receive a *Christmas Blessings 2020*, but we would like you to let us know.

Either fill in the form below or email us on [shm@tewkesbury.foodbank.org.uk](mailto:shm@tewkesbury.foodbank.org.uk) or text 07988092016

We will then contact you with information as to how you will receive your vouchers.

Best wishes,

Marion Badham
